**GRNC Update 02-27-07:  
'Guerilla Tactics' For Gun Rights Warriors**

Want to be a part of the evil gun lobby? Let Paul Valone teach you how. Come to the legislative tactics seminar and learn how GRNC has been kicking tail for 13 years. Learn how you can too.

When your grandchildren ask you what you did to protect their liberties, what will you tell them? Here is your opportunity to learn how to do something beyond complaining. In order to win this war for our rights, GRNC needs smart, determined and trained individuals. You bring the smarts and determination; we'll provide the training. GRNC has been highly successful in the past with the approaches you will learn, often with less than friendly legislative bodies. With the help of innovative and tenacious people like you we will continue to be. Remember, fresh blood will always be needed to fulfill our goal of making you freer.

You too can be an effective gun rights warrior: Register and come to the seminar at GRNC's Raleigh office, 2016 Cameron St., Suite 217, on Saturday, March 10 from 11:00 AM to 4:00 PM. Then you will be prepared to answer the call and make a difference in the halls of power.

To register: Go to: [www.grnc.org/seminar.htm](http://www.grnc.org/seminar.htm) . Fee is \$20. To avoid giving away tactics to the enemy, proof of previous participation in the gun rights movement is required.
